

WH-QUESTIONS

Wh - questions start with **who, what, when, where** and **why**.

The answers to these questions are not just a simple yes or no.

When asking wh- questions in the past tense, you need to add the word “did”.

Sentence Structure:

Wh+	did+	Subject+	Base Form of the Verb +	rest of the sentence?
-----	------	----------	-------------------------	-----------------------

Examples:

Who

Who did you meet?

Who did we choose?

What

What did you eat?

What did you learn in school?

When

When did you leave?

When did she study in Madrid?

Where

Where did she go?

Where did he park the car?

Why

Why did they move to Barcelona?

Why did you buy the car?
