

FREQUENCY ADVERBS

Previously you have learned how to make easy sentences in Simple Present, and now we will make questions. As you can see it is necessary to learn vocabulary that allows you to make complements in your sentences. For example the days of the week, dates, TV shows, etc. It is also important to know how to use the right adverbs such as the frequency adverbs.

Adverbs of Frequency:

Always, usually, regularly, normally, often, sometimes, occasionally, rarely, seldom, never
