**UNIT 1**

# **NEW FRIENDS**

# UNIT I. NEW FRIENDS

## INTRODUCTION TO THE UNIT

In this unit, you will learn how to talk about yourself, who you are and other people you meet or already know. You will practice basic words and sentences to introduce yourself, greet others, and share simple personal information since these are important skills for everyday conversations and getting to know people in a simple way.

You will learn how to say hello and goodbye, say your name and ask someone's name, spell names, say where you are from and what you do, ask for and give phone numbers and addresses, talk about your family and their ages, give simple information about your friends and family. Learning all this will help you get more confident in talking English in your daily life.

En esta unidad, aprenderás a hablar de ti mismo, de quién eres y de otras personas que conoces. Practicarás palabras y frases básicas para presentarte, saludar y compartir información personal sencilla, ya que son habilidades importantes para las conversaciones cotidianas y para conocer gente de forma sencilla.

Aprenderás a saludar y despedirte, a decir tu nombre y preguntar el de alguien, a deletrear nombres, a decir de dónde eres y a qué te dedicas, a pedir y dar números de teléfono y direcciones, a hablar de tu familia y sus edades, y a dar información sencilla sobre tus amigos y familiares. Aprender todo esto te ayudará a tener más confianza para hablar inglés en tu vida diaria.

## UNIT OBJECTIVE

By the end of this unit, you should be able to introduce yourself and other people using short sentences, use common greetings and farewells, ask and answer simple questions about basic personal information, and talk about your friends and family.

You will communicate in English in a simple yet effective way.

Al finalizar esta unidad, podrás presentarte y presentar a otras personas con frases cortas, usar saludos y despedidas comunes, hacer y responder preguntas sencillas sobre información personal básica y hablar de tus amigos y familiares.
