

**UNIVERSIDAD AUTÓNOMA  
DE COAHUILA**

# **PAST AND FUTURE**

**UNIT IV**

# Introduction Unit IV

## **INTRODUCTION**

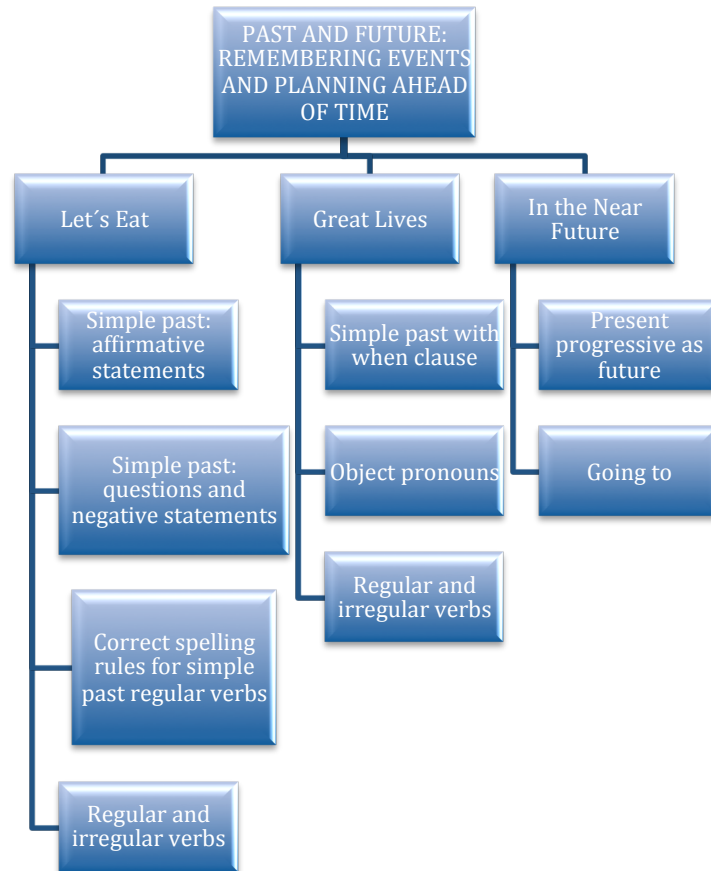

As you have already studied the basic present tenses structures throughout the previous lessons, by the end of this block you are expected to manage past and future tenses. The following is without a doubt a crucial block to fulfill the course requirements. Keep studying hard so you can see great results soon!

## **OBJECTIVE OF THE UNIT**

The learner knows and applies correctly the vocabulary used when ordering in a restaurant. Also, how to acquire and develop skills to hold a basic conversation in English. The learner achieves to use the Simple Past in affirmative, negative and interrogative sentences. The learner develops the function of sequencing and connecting events effectively. The learner uses the object pronouns appropriately through practice exercises.
