THE ART OF RESPECTING OUR NATURE

UNIT III

Introduction Unit III
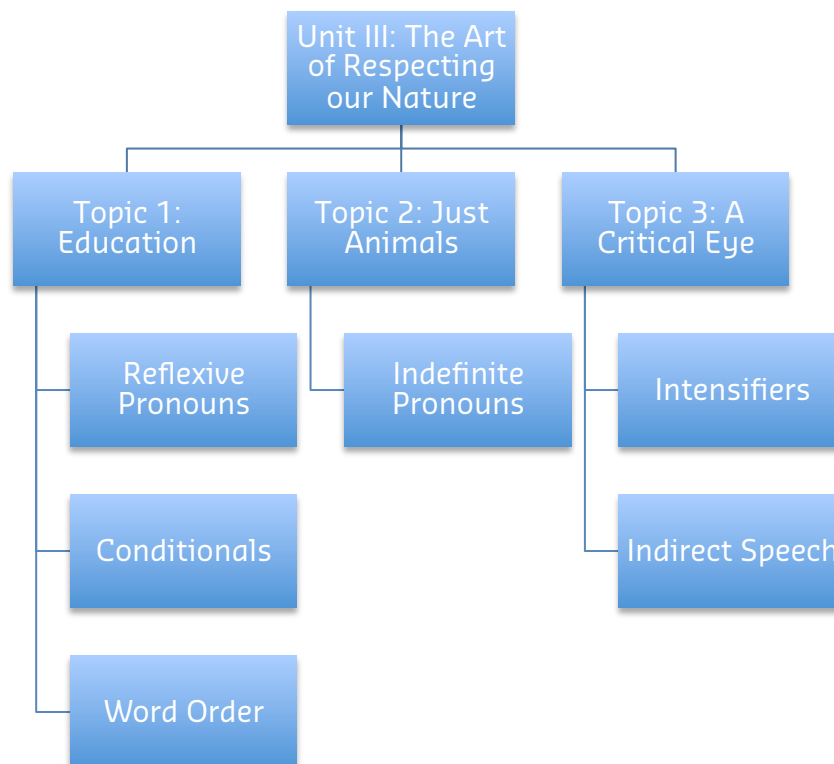

INTRODUCTION TO THE UNIT

Welcome to Unit 3. This unit's lexical and grammatical objectives focus on topics related to college life and online education, technology, and your professional life. It also discusses the effects of technology in education.

Also, we will talk about responsibility, owning pets and animal protection and rescue.

OBJECTIVE OF THE UNIT

The students will be able to correctly use intensifiers such as **so, such, too, enough**. Adverbs, clauses, modals of possibility, and adjective phrases will also be studied.
